Sir,

I have the honour to state that as the Plague has assumed an epidemic form in the city, facilities have to be afforded for persons willing to evacuate their houses in infected localities. Most of the houses in the Weavers Lines have already been occupied by such persons and the rest of the houses have been reserved for Palace Servants.

With slight improvements and thorough repairs the Chettrahully Health Camp can accommodate about 100 families. The huts in the health camp require re-proofing and repairs and

and the necessary petring accommodation has also to be provided. Roads have to be formed and drains have to be exeavated. These works are estimated to cost about Rs 1131.

Government Proceedings ~ No. 210-12 dated 15th September 1900, sanctioned the sum of Rs 5,000 for constructing drains and for building privies with daily conservancy arrangements. Out of this amount there is an unexpended balance of Rs 687 which I propose to utilize for the above work. I shall in ~ anticipation of Government sanction start the work and I beg that the balance of ~ Rs 444 may be sanctioned out of the Plague Funds.

Sir,

With reference to your no 5039 / C.B.P. 219 dated 2[illegible] September last declining to sanction the proposed expenditure for improving the Chamarajpet Health Camp and directing that in consultation with the Inspector General of Prisons, Convict labour be employed for the petty repairs to the Sheds in the said Health Camp, I have the honor to State that as reported in this office no 35 dated 17th September 1902, the work of improving the Health Camp was started in

in anticipation of sanction of Government as there was no time to be lost in making the Sheds habitable to facilitate and encourage evacuation of houses in plague infected localities in the City. The work was practically completed before the ~~Receipt of~~ Government order under reply. The Cost of the work amounts to Rs 479-9-4. This amount may be ordered to be paid out of the amount of Rs 5000/= sanctioned in Government Proceedings no 210-12 d. D. P. d 15th September 1900. There is a savings of Rs 687 out of this grant.

The Statement called for in para 3 of the order under reply has already been submitted with this office no 36 dated 17th September 1902.

In regard to the remarks of the Secretary in his D. O. of the 15th (S. No) October 1902 to the Vice President that the restored Sheds are already showing —

showing signs of neglect, I beg to submit that as the sheds are constructed of very flimzy materials and as they are not still occupied and as the unmetalled roads are here and there overgrown with rank vegetation, they have a very neglected appearance.
